The Fluno Center for Executive Education is a state-of-the-art facility built specifically for adult education on the University of Wisconsin-Madison campus.

**Robert I. Kabat Management Internship Program (MIP)**

This program is comprised of three, two-week units held over six months and focuses on contemporary electric cooperative management issues. Designed for senior leaders and those transitioning to senior leadership roles, MIP provides an in-depth look at the issues and trends impacting co-op management and the functions necessary for success. (Participants stay in the same cohort for the full six weeks.)

**Introduction to Distribution Engineering (IDE)**

IDE is designed to provide early career engineers and seasoned technicians with the practical information they need to apply their core engineering knowledge, skills and abilities at a distribution cooperative. This two-part program focuses on designing, building, planning and operating a modern distribution utility.

Choose Unit A or Unit B, or both for a Complete Package.

**UNIT A**

AUG. 22-25, 2017

**UNIT B**

OCT. 31 - NOV. 3, 2017

**Cooperative Financial Professional Certificate (CFPC)**

This competency-based program, offered in collaboration with CFC, provides senior-level finance and accounting staff with key financial concepts, practices, and tools AND crucial business consulting skills. The program includes two, one-week training sessions, supplemented with web conferences and work assignments.
