

DPC

DISCOUNT PROGRAM CONNECTION

“I TRADED PERSONAL VEHICLES THIS WEEK AND I SAVED OVER \$1000 USING THE DISCOUNT PROGRAM.”

Chris Hamon | Missouri Director
White River Valley Electric Cooperative

Discount Program Connection offers participating associations product and service discounts from **many exciting businesses**, from automobiles to office supplies. Leveraging and expanding on the buying power of NRECA’s National Discount Program available to our electric cooperative members, the DPC offers participating associations and their members valuable discounts from fully sourced vendors, helping businesses manage costs and add savings back to their budgets.
