

SPEAK UP! / LISTEN UP!

Is reducing the risk of serious work place incidents important to you?

Do you want to positively solve safety issues in real-time?

Do you want a stronger safety culture?

Speak Up! / Listen Up! for Co-ops gives employees simple tools for delivering and receiving safety-related feedback effectively.

MOVE SAFETY into EFFECTIVE ACTION:

Speak Up!

- **ASK** if you can talk about the situation.
- **COMMIT** to work more safely.
- **FOLLOW-UP** with the person to see that he/she is working safely.

Listen Up!

- **LISTEN** to the message.
- **COMMIT** to a safer way.

Working together to create a Culture of Safety!
